

**REMARKS**

Applicants have herein amended claims 1, 7, 10, 13 and 17 to restore a term to its original recitation in view of a transcription error that occurred when preparing the claims for filing applicants' first amendment. The term "iteratively" was inadvertently entered in as "interactively" and the error was perpetuated throughout applicants' prior amendments, although it is clear from the application as originally filed that "iteratively" was recited and was never in fact actually amended in any of applicants' prior responses. Entry of the Amendment under the provisions of 37 C.F.R. § 1.312 is respectfully solicited.

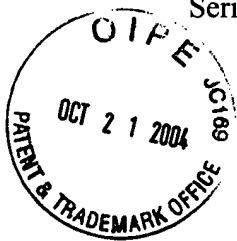

Respectfully submitted,

---
